## **Free room hire if you book your event before 28th February 2010**

Set in 30 acres of countryside, Mercure Ardoe House Hotel & Spa puts you under its spell as soon as you spot it in the distance. Located just three miles from Aberdeen, with beautiful views across the River Dee, this magnificent building was inspired by Balmoral Castle. A theme of calm and timeless elegance runs through the entire Hotel, yet you'll enjoy the most modern creature comforts. The Hotel is acknowledged as Aberdeen's finest conferencing venue – and, thanks to the endless wide open spaces of its Royal Deeside setting, it is also one of the UK's most inspiring venues for outdoor team building activities. From meetings and private dinners, to weddings and parties of up to 700 people, our dedicated events organiser will work closely with you to ensure everything runs perfectly.
