

CANDACRAIG

ACTIVITIES
& ENTERTAINMENT

Nestled in the heart of the Scottish Highlands, Candacraig is an inspiring, exclusive retreat. Steeped in history and surrounded by the wild beauty of the Cairngorms, our breathtaking baronial mansion is the perfect place to host your event.

Outdoors, guests have full access to 18 acres of private woodland and manicured lawns, including a large Victorian walled garden, a lochan fed by the celebrated River Don and a woodland bonfire area – a very special spot to enjoy a warm drink by the fire.

Exploring the lavish grounds you will find one magical setting after another – exclusively yours to enjoy during your stay.

Originally built in the 17th century, Candacraig was enlarged in the Scottish baronial style with its pepper pot turrets and crow stepped dormer windows in 1836. It has been extended several times over the years and was reconstructed in 1955 retaining its Scottish style. The current owners Lynne & Marc Lino bought the property in 2014 from Billy Connolly a famous comedian/actor and have since placed considerable investment into this stunning property.
